Exhibit 2 – Chandler Park

Overall Evaluation – Fair Condition

- Chandler Park was generally clean.
- Grass was recently mowed in some areas, however it was 12 to 24 inches high in others.
- Playgrounds had new plastic playscapes with shock absorbent surfaces beneath and around them.
- Chandler Park had six tennis courts. There were no with no nets on all six of them.
- Shelter was in fair condition
- The pool within the park was closed, drained and fenced in.
- There were three basketball courts. During our initial visit, we noted that some court surfaces had cracks in them with grass growing through. We also noted some basketball hoops missing nets and peeling paint on the backboard. Upon a return visit six weeks later, we noted the court surfaces in the same condition, however all six hoops had nets.
- Chandler Park had a newly renovated water park with paid admission. The renovation project was the joint effort of Wayne County and City of Detroit.

Entrance to Chandler Park Aquatic Center was well kept.
